### ***Payment Policy and Responsibility***

Payment is expected at the time of service. **Payments may be made in the form of a check or cash.** In the case of insufficient funds, a service fee of \$25 per returned check will be added. More and more insurance companies are covering naturopathic medical care. Ask your carrier about coverage or reimbursement. I do not bill insurance, but can provide you with paperwork to submit to your insurance carrier for reimbursement. Reimbursement of service is not guaranteed. If you have insurance that does not cover naturopathic medical care, use of a Health Savings Account (HAS) or flexible spending account may cover this care. Check with your employer to see if one of these options is available to you.

### ***Missed Appointments***

A fee of \$75 will be applied if less than 24 hrs. notice is given for cancelled appointments.

### ***Other Charges***

Supplements, medicines, and laboratory fees are in addition to the charges listed above. You will be provided with an itemized list of fees at the end of your visit.
